Dear Stef - A greeting  
from Sweden and  
a wish for a very  
Good 1992. I spent  
Xmas with my brothers  
& family in Stockholm.  
~~The~~ Snow fell on  
Xmas eve and the  
picture was perfect.  
This card shows a park  
outside my "home town".  
This year no snow yet  
~~there~~ here. San Francisco  
is on another planet...  
or does it exist at all?  
Wish greetings to you and  
Susan - Love
